The Bid opening official(s) will prepare a list of the representatives attending the Bid opening. The list will contain the representatives’ names & signatures and corresponding Bidders’ names and addresses.

F. SCRUTINY AND EVALUATION OF ONLINE BIDS

26. Basic Principle

26.1 Online Bids will be evaluated on the basis of the terms & conditions already incorporated in the Bidding document, based on which Bids have been received and the terms, conditions etc. mentioned by the Bidders in their Bids. No new condition will be brought in while scrutinizing and evaluating the Bids.

27. Scrutiny of Bids

27.1 The Online Bids will first be scrutinized to determine whether they are complete and meet the essential and important requirements, conditions etc. as prescribed in the Bidding document. The Bids, which do not meet the basic requirements, are liable to be treated as non-responsive and shall be ignored.

27.2 The following are some of the important aspects, for which a Bid may be declared non-responsive, shall be ignored and their price bid(s) shall not be opened:

(i) Bid is unsigned.
(ii) Bidder is not eligible.
(iii) Bid validity is shorter than the required period.
(iv) Required BID SECURITY AND BID FEE has not been provided.
(v) Bidder has not submitted sample of the Feed/Fodder (2 Kg. of each fodder item) in a separate Air Tight Plastic Container having Name, Address and Signature of the bidder on the Container on or before the last date/time of filing/submission of the online bids on the portal.

(vi) Bidder has not agreed to give the required performance security.

(x) Bidder has quoted variable price against the requirement of firm price.
(xi) Delivery period quoted by the Bidder is beyond the required period projected in the Bidding document.
(xii) Against a schedule in the List of Requirement (incorporated in the Bidding), the Bidder has not
(xii) Bidder has not agreed to essential condition(s) specially incorporated in the Bidding.

28. **PRICE BIDS OF ONLY THOSE BIDDERS SHALL BE OPENED WHO ARE FOUND AND DECLARED TECHNICAL Responsive.**

28.1 If during the preliminary examination, the purchaser find any minor informality and/or irregularity and/or non-conformity in a Bid, the purchaser may waive the same provided it does not constitute any material deviation and financial impact and, also, does not prejudice or affect the ranking order of the Bidders. Wherever necessary, the purchaser will convey its observation on such ‘minor’ issues to the Bidder by registered/speed post etc. asking the Bidder to respond by a specified date. If the Bidder does not reply by the specified date or gives evasive reply without clarifying the point at issue in clear terms, that Bid will be liable to be ignored.

29. **Discrepancy in Prices**

29.1 If, in the **price structure quoted by a Bidder**, there is discrepancy between the unit price and the total price (which is obtained by multiplying the unit price by the quantity), the unit price shall prevail and the total price corrected accordingly, unless the purchaser feels that the Bidder has made a mistake in placing the decimal point in the unit price, in which case the total price as quoted shall prevail over the unit price and the unit price corrected accordingly.

29.2 If there is an **error in a total price**, which has been worked out through addition and/or **subtraction of subtotals**, the subtotals shall prevail and the **total corrected**; and

29.3 If there is a discrepancy between the amounts express in words and figures, the amount in words shall prevail, subject to sub clause 29.1 and 29.2 above.

29.4 If, as per the judgment of the purchaser, there is any such **arithmetical discrepancy** in a Bid, the same will be **suitably conveyed to the Bidder** by registered / speed post. If the Bidder does not agree to the observation of the purchaser, the Bid is liable to be ignored.

30. **Discrepancy**

30.1 In case any discrepancy is observed the purchaser will convey its observation suitably to the Bidder by register / speed post and, if the Bidder does not accept the purchaser’s observation, that Bid will be liable to be ignored.

31. **Qualification Criteria**

31.1 Bids of the Bidders, who do not meet the required **qualification criteria** prescribed in Section IX and also whose samples(s) of the fodder are not meeting desired technical specification & composition given in the Section-VII, will be treated as non-responsive and their price bids shall not be opened. Price Bids of only those bidders shall be opened who are declared Technical Responsive.

32. **Conversion of Bid currencies to Indian Rupees**

32.1 In case the Bidding document permits the Bidders to quote their prices in different currencies, all such quoted prices of the responsive Bidders will be converted to a single currency viz., Indian Rupees for the purpose of equitable comparison and evaluation, as per the B.C. selling exchange rates established by the State Bank of India for similar transaction, as on the date of Bid opening.

33. **Schedule-wise Evaluation**

33.1 In case the List of Requirements contains more than one schedule, the responsive Bids will be evaluated and compared separately for each schedule. The Bid for a schedule will not be considered if the complete requirement prescribed in that schedule is not included in the Bid. However, as already mentioned in GITB sub clause 13.2, Bidders have the option to quote for any one or more schedules and offer discounts for combined schedules. Such discounts, wherever applicable, will be taken into account to determine the Bid or combination of Bids offering the lowest evaluated cost for the purchaser in deciding the successful Bidder for each schedule,
34. **Comparison on CIP Destination Basis**

34.1 Unless mentioned otherwise in Section-III – Special Instructions to Bidders and Section- VI – List of Requirements, the comparison of the responsive Bids shall be on CIP destination basis, duly delivered, commissioned, etc. as the case may be.

35. **Additional Factors and Parameters for Evaluation and Ranking of Responsive Bids**

35.1 Further to GITB Clause 34 above, the purchaser’s evaluation of a Bid will include and take into account the following:

i) in the case of goods manufactured in India or goods of foreign origin already located in India, sales tax & other similar taxes and excise duty & other similar duties, which will be contractually payable (to the Bidder), on the goods if a contract is awarded on the Bidder; and

ii) in the case of goods of foreign origin offered from abroad, customs duty and other similar import duties/taxes, which will be contractually payable (to the Bidder) on the goods if the contract is awarded on the Bidder.

35.2 The purchaser's evaluation of Bid will also take into account the additional factors, if any, incorporated in SITB in the manner and to the extent indicated therein.

35.3 In case there is provision in the Bid documents for price preference to small scale sectors etc. and purchase preference to central public sector undertakings, the same will also be taken care of while evaluating, comparing and ranking the responsive Bids.

35.4 If the Bids have been invited on variable price basis, the Bids will be evaluated, compared and ranked on the basis of the position as prevailing on the day of Bid opening and not on the basis of any future date.

36. **Bidder’s capability to perform the contract**

36.1 The purchaser, through the above process of Bid scrutiny and Bid evaluation will determine to its satisfaction whether the Bidder, whose Bid has been determined as the lowest evaluated responsive Bid, is eligible, qualified and capable in all respects to perform the contract satisfactorily. If there is more than one schedule in the List of Requirements, then, such determination will be made separately for each schedule.

36.2 The above mentioned determination will inter alia, take into account the Bidder's financial, technical and production capabilities for satisfying all the requirements of the purchaser as incorporated in the Bid document. Such determination will be based upon scrutiny and examination of all relevant data and details submitted by the Bidder in its Bid as well as such other allied information as deemed appropriate by the purchaser.

37. **Contacting the Purchaser**

37.1 From the time of submission of Bid to the time of awarding the contract, if a Bidder needs to contact the purchaser for any reason relating to this Bidding and / or its Bid, it should do so only in writing.

37.2 In case a Bidder attempts to influence the purchaser in the purchaser's decision on scrutiny, comparison & evaluation of Bids and awarding the contract, the Bid of the Bidder shall be liable for rejection in addition to appropriate administrative actions being taken against that Bidder, as deemed fit by the purchaser.
G. AWARD OF CONTRACT
